Making every day the best it can be

Living at Allity

Allity Aged Care is a network of 43 Homes located across Australia. The collective experience of our group places us among the most-established providers within the Australian Aged Care Industry.

Proud to be called Home – Every Allity Home is exactly what the name implies – a place where our residents can continue to share every day experiences with family, make it their own and maintain active and rewarding lifestyles in a way that is meaningful.

Living at Allity is all about making the best of every day regardless of life's limitations, and to continue enjoying hobbies and interests or maybe even pick up new ones.

Your Room, Your Space – Our Home is your home and your room is ready to be personalised just the way you like it. While each Home is unique in its design, a common theme applies throughout, to create a variety of shared spaces for family, friends and neighbours to enjoy together.

Moving In* – We make your welcome experience as easy as it can be with our dedicated 'Move In' service to take care of the necessities, so that you can focus on settling in. This includes:

- Testing and tagging of electrical appliances
- Quality labelling of all clothing
- Room set up
- Welcome dining invitation for the family

*Nominal fee applies

Living and Lifestyle – Get out and about with organised trips, join in a daily activity or just pull up an armchair in the company of your neighbours, the choice is always yours.

Family and friends are actively encouraged to be part of every day life with us, to participate in activities, events and celebrations, and above all, to make every day the best it can be for our residents and each other.

Food, Family and Friends – Presenting nutritious meals that wake up the taste buds is what keeps our residents happy, healthy and active. We also know the best way to promote social interaction is around a hearty meal or casual lunch, which is why friends and family will always have a seat at our table.

A Focus on Wellness – Care begins with understanding our residents' life stories. Quality time invested in knowing each and every individual is our passion, be it favourite foods, movies, music or pastimes. The more we know, the more we are able to enhance the living experience. The collective focus of our qualified staff is on wellness and encouraging residents to live a full and meaningful life that complements every individual's choices.
