Location

Country living at its finest.

Barongarook Gardens is ideally located in a peaceful residential pocket of Colac, just a short drive from the town centre with its array of well-loved local cafés and shops. A day out with visiting family and friends might involve a picnic in the Colac Botanic Gardens or the Otway Forest Park, or exploring Lake Colac and scenic surrounds.

Our residents enjoy strolls in Sculpture Park and other local reserves with friends, or indulging their green thumb tending our vegetable garden. We welcome visitors at any time for a coffee in the gardens or one of our relaxing lounges.

We arrange regular group and individual outings, and because we believe in maintaining close links with our community, we also enjoy regular visits from guests and local organisations.

Each Japara location is chosen to provide convenience and connectivity for residents and guests.

At the gateway to the Otways, day trips are full of scenery and serenity.

Our door is open.
