

“ *We wanted to find an aged care facility that had a sense of community, a high level of care and really felt like home. We toured several aged care providers before deciding on CraigCare.* ”

*Coral and I have blossomed here over the last seven years with the amazing support from the CraigCare team. We have created a beautiful home here that we are both very proud of.*

*Brian and Coral*

*We would love to show you first hand why we are the provider of choice when it comes to choosing a residential aged care home. Please call us to book your visit.*

A service built  
on a *home-like*  
environment and  
*strong connections*

**CraigCare has been one of Australia's most established and trusted residential aged care providers for over 40 years. We pride ourselves on making sure our residents feel right at home and continue to be connected to their family, friends and the local community, as they have always been.**

As your ageing journey advances, you will have peace of mind knowing we'll be right there, supporting you and your family through every stage.

**You won't find a more compassionate and kind team who are dedicated to providing excellent care. We respect our residents' right to have the control, choice and flexibility in how our services are delivered.**

### Quality care

Our care services include permanent, respite, dementia and palliative care. We go beyond the regulated industry standards with our own stringent codes of conduct. We only employ the most highly-qualified medical and care staff who are available 24/7.

### Food made with love

Our local chefs create exciting seasonal menus by incorporating Maggie Beer's Brain Foods recipes with our home-style recipes. A combination of nutrition, presentation, home cooking, taste and variety means you and your taste buds are well catered for. We also accommodate individualised meal plans for any residents with specific dietary requirements. If you have some favourite family recipes, bring them in and we will prepare these for you to enjoy with your family.

### Family connections

Across our communities, there are large verandahs, outdoor gardens and gazebos, sunrooms, lounge rooms with many overlooking our beautiful gardens so you can watch the kids play while you catch up. We also cater for private family events such as birthday parties or anniversaries. There are no set visiting hours. Family pets are welcome to visit too.

### Community connections

The CraigCare bus takes residents to destinations such as the cinema, a spot of lunch at the beach, the local library or local sports clubs. We also visit the local shopping centre so you can still enjoy the freedom of doing your own shopping, whether that be buying new clothes or picking up some of your favourite foods and treats.

### Hobbies and activities

Our CraigCare communities offer daily activities including card and board games, bingo, arts and crafts, knitting club, men's group, exercise classes, walking groups in the local parks, gardening, cooking, bowls, and movie nights.
